

April is Prevention of Child Abuse Awareness Month

In spite of not being able to meet as a group, the members of the Exchange Club of Irondale are still serving the community. Two of our members, John Schoen and Rodney Kenamer, planted a pinwheel garden in front of City Hall. Blue lights will highlight the display.

If you can be out on Mondays, be sure to wear blue to bring more awareness that Exchange is still in the business of preventing child abuse.

Pinwheel Garden on behalf of the

Excel and Jr. Excel Clubs at Jefferson Christian Academy

Due to all schools in Alabama being cancelled for the rest of the school year, the Excel and Jr. Excel members were not able to plant their pinwheel garden as planned for April 1st. So, on their behalf, a pinwheel garden was planted at the home of Joyce Franklin, their club advisor, so they would be able to complete the last program of service to earn their National Service Award patch. The pinwheels will remain planted until the end of April.

In February and March, Katie Wiswall and John Schoen presented Arbor Day Programs to 5th graders at Grantswood and Irondale Community Schools, distributing 100 trees. This continues Irondale's designation as a Tree City USA.
